BOARD OF SUPERVISORS .- The Annual Meeting of the Board was held vesterday afternoon, in the Old Court Room, in the County Jail. The first business in order was the election of a Chairman, and Dr. A. J. Berry, of Williamsburg, (the present incumbent,) was unanimously chosen.

The Superintendents of the Poor of Kings' County submitted their Annual Report, from which we compile the following statistics

the Board of Emigration. THROWING VITRIOL .- A woman named Lucy Thompson was taken into custody on a warrant charging her with having committed a gross outrage upon a gentleman, by throwing a quantity of vitrioi upon lam, while attempting to enter her prem-ises in Gold-st. The man was so dreadfully burned that he was unable to attend yesterday morning, and she was committed for examination.

Accident .- On Monday afternoon, a man whose name we have not learned, while at work on the ship Dindem, at Thompson's wharf, fell down the main hatchway and injured himself seriously He was conveyed to the City Hospital by the kind bess of Dr. Ball, Coroner.

Accident.-Mr. John K. Foster fell from the second story window or Mr. James Gillen's coffin manufactory yesterday morning at about H o'clock, and received considerable injury, although no bones were broken. He was conveyed to his home in a curriage.

PASSING COUNTERFEIT MONEY .- Henry Bedell and Arden Hubbs were yesterday arrested by Constable Hegeman, charged with having, on the evening of the 28th uit., passed counterfeit bills at the hotels of Suydam Steilingworth in the Eighth Ward, of Thomas French in the Ninth Ward, and at Wiggins's Tavern in Flatbush. The bills were all of the denomination of \$5, purporting to be issues of the Housatonic Bank, Stockbridge, Mass. They were held to answer by Justice King.

CHARGE OF FORGERY .- W. H. Millbourn was taken into custody on Monday, on the above harge. It appears, from the complaint, that he en tered the store of Mr. C. M. Wright, druggist, corner of Columbia and Union-street, and presenting a check for \$10, signed with the name of Mr. Blake stated that Mr. B. was in want of the money, and that the bank had closed for the day. The cash was paid, and scarcely had the accused left the store when Mr. Blake entered, and on being shown the paper, pronounced it a forgery. Millbourn was ar-rested, after he had succeeded in throwing away another piece of paper, supposed also to have been forged cheek. Another complaint is still pending against him for passing a similar check on a Mr Brown. He was committed for examination

WALKED OVERZOARD AND WAS DROWNED. On Monday night a man walked off the forry bridge. foot of Atlantic-street, and before assistance could he rendered, was drowned. His body was taken our of the water shortly after, but all evidence of vitality had departed. The man, it is presumed, must have been near-righted, or overcome with fatigue, as h did not seem aware of the absence of the boat, be walked overboard unconsciously, and sunk without a struggle. The coroner held an inquest yesterday, when it was ascertained his name was John Cowell, a carpenter by trade. The jury tendered a verdict in accordance with the above facts.

RESCUED FROM DROWNING -A lad about 12 years of age, named John Ryan, fell into the water from the bridge, foot of Ninth-st., on Monday morning. He was discovered by Deputy Sheriff Friend, who was passing at the time, and pulled out. The usual means were taken to resuscitate him, which, after about half an hour's labor, proved successful, and he was restored to consciousness. He was then convered to the residence of his parents, in
